

Arrowhead Girls Basketball

Virtual Free Throw-A-Thon Fundraiser

2020-2021

Youth Information

This season, the Arrowhead Girls Basketball program invites you to participate in a virtual shooting fundraiser. This fundraiser is open to all the girls in the program, from 5th grade to Varsity. A portion of the funds raised help the basketball program pay for various expenses over the course of the year and a portion will be dedicated to a scholarship fund in Emily Sauld's name.

We are asking players to collect pledges of money; the amount owed will be based upon the number of shots each player makes.

During the month of January we invite teams to hold their own Free Throw-a-thon. With their teams at their practices, girls will shoot 100 free throws and record their makes/misses with attached score card. Pledges can be based on shots made out of 100. For example: If a person pledges 25 cents per shot and the player makes 65 out of 100, their donation would total \$16.25 (.25 X 65=\$16.25). Another option is to donate a set amount (for example: \$10 to our program as long as the player *attempts* 100 shots).

We are asking that the players collect as many pledges as possible from now until the end of January. Any and all contribution are truly appreciated!

Each player will receive an official Pledge Sheet to record pledges from their coach. After each team's Shoot-a-Thon, players will collect money earned by **February 1st** and turn in to youth team coaches or send to Arrowhead High School c/o Rick Witte. Youth coaches can collect and return any pledges to Coach Witte.

Checks should be made out to: **Arrowhead Girls Basketball**.

After the event, players can submit their results on the Arrowhead Girls Basketball website (<https://www.arrowheadgirlsbasketball.com>) -YOUTH tab – [Free Throw-a-thon link](#)) by **Feb 1st** to be acknowledged and celebrated for their made shots. We are very excited to still offer this event during these times. Despite the altered format, it is a great opportunity for the girls to have some fun while working on a key basketball skill.

If you have any additional questions, please feel free to contact Coach Witte or Coach Bonlender.

As always, thank you for your support!
